

KNIPLEX[®]

**KNIPLEX TwinGrip
FRONT AND SIDE GRIPPING
PLIERS**

THE SPECIAL GIFT FOR EVERYONE WHO LOVES THE BEST TOOLS

**A guaranteed eye-catcher: these
special edition front and side gripping
pliers are something truly special for
every tool fan!**

Right from the start, the KNIPLEX TwinGrip was one of our most popular pliers. And this 200-millimetre, strictly limited edition goes one better: it has a grey atramentised finish with elegant black, slim plastic grips and bronze-coloured lettering. Why does every trade professional love the KNIPLEX TwinGrip? Three secrets: a powerful front gripping jaw with robust longitudinal teeth grips and loosens screws even with worn heads; laterally it grips with an even higher transmission ratio; and the 5-way adjustable sliding joint with push button adjustment allows an enormous gripping capacity - for diameters and widths across flats from 4 – 22 mm.

**In festive gift packaging to
suit the occasion. Only while
stocks last!**
